

Index of occupations and functions in Hampstead Court Records 1572-1732
Translated into English by Pauline Sidell BA DAA for the Camden History Society

Trades, occupations or functions specified in the Records are listed alphabetically followed by the name(s) of the men associated with them. To establish the folio(s) in which an individual is mentioned, please refer to the index of personal names, where they are indexed as **R1-R24** plus folio number for Court Rolls, **CBA** plus folio number for Court Book A (1706-1719), and **CBB** plus folio numbers for Court Book B (1720-

The title of each related computer file on the Camden History Society website includes the span of years covered by a single Roll, and in the case of CBA files the year of the passage excerpted from Court Book A plus the range of folio numbers in the excerpt.
